**Old Business**

None

**New Business**

1. Jim Mahon sent a message that everyone has old expired flares and we would like to arrange a collection of the same at our monthly meetings. We will then donate the flares to the Fort Lauderdale Bomb Disposal Unit through the Coast Guard. The Bomb Squad will use them for practice.
2. In March 2015 we held a Raftup and Inspection by the Coast Guard. Unfortunately only 3 boats showed up which was very embarrassing. Is there an interest in doing this again?
3. There is a new type of flare that has been approved by the Coast Guard.

Moved by Sam Walker and seconded by Kay Harrison to adjourn. Carried  
 The meeting was adjourned at 8:50 pm.

Respectfully submitted by Rosemary Chelick-Mahon, Secretary
