Marine advisory board suggests installing a mooring field.

LeeAnn is leaving the area, and the club, this is a big loss for the kid's program. There are two Moms interested in helping. Eric and Brenda Kobrin hear from other parents that there would be more interest in Camp if it lasted until 6:00pm instead of 5:00 as it makes it difficult for working parents to make the pick-up time. Luis does not have the manpower for extended hours, perhaps the Lake can partner with High School after care.

Jim O said the city Hollywood looked at waterfront exposure. Can Ann Kolb nature park be utilized for 420s. How can we capitalize on Sailor's point-Mary-Jo O'Hara to spearhead.
